**Re: Empire Health Services  
Case 19-RD-3795**

Dear Ms. McNaught-Davis:

The above-captioned case, petitioning for an investigation and determination of representative under Section 9(c) of the National Labor Relations Act, has been carefully investigated and considered.

As a result of the investigation, I find that further proceedings are unwarranted. The investigation disclosed that the showing of interest was numerically insufficient. Accordingly, I am dismissing the petition in this matter.<sup>1</sup>

Pursuant to the National Labor Relations Board's Rules and Regulations, you may obtain a review of this action by filing a request with the Executive Secretary, National Labor Relations Board, 1099 14<sup>th</sup> Street, N.W., Washington D.C. 20570. A request for review may also be submitted by electronic filing. See the attachment provided in the initial correspondence in this case or refer to OM 05-30 and OM 07-07, which are available on the Agency's website at [www.nlrb.gov](http://www.nlrb.gov) for a detailed explanation of requirements which must be met when electronically submitting documents to the Board and Regional Offices. Guidance can also be found under *E-Gov* on the Board's website. A copy of the request for review must be served on each of the other parties to the proceeding, as well as on the undersigned, either by mail or by electronic filing. This request for review must contain a complete statement setting forth the facts and reasons on which it is based. The request for review (eight copies) must be received by the Executive Secretary of the Board in Washington, D.C., by close of business on **June 23, 2008**. This request may **not** be filed by facsimile. Upon good cause shown, however, the Board may grant special permission for a longer period within which to file. A request for extension of time should be submitted to the Executive Secretary in Washington, and a copy of any such request

---

<sup>1</sup> Simultaneous with my action here, I am severing this case from 19-RD-3792 and 19-RD-3793 as those cases are not set for dismissal and involve two separate units.

for extension of time should be submitted to this office and to each of the other parties to this proceeding.

The request for review and any request for extension of time must include a statement that a copy has been served on this office and on each of the other parties to this proceeding in the same or a faster manner as that utilized in filing the request with the Board.

Sincerely,

/s/ Richard L. Ahearn
